

Excellent Coverage for your Recreational Trailer

Veritas REC Trailer Protection Plans cover the essential components of your recreational trailer. You work hard for your investment and our protection plans allow you to enjoy it for years to come.

A breakdown can be an extremely stressful experience. For this reason, roadside assistance, concierge service, and emergency services are included with all our programs. When it is time to file a claim, we offer extensive coverage and excellent claim support to all our customers.

A recreational trailer can be very expensive to repair. For many of our customers, a single covered repair will cover the cost of their policy. We provide you with peace of mind, knowing your trailer is covered by a company backed by an "A-" or better rated insurer and accredited by the Better Business Bureau.

All of our plans are accepted at nearly any dealership or repair facility throughout Canada.
