

We cover almost everything with an engine!

Veritas Sport Protection Plans are designed to protect your motorcycle, ATV/UTV, scooter, snowmobile, or personal watercraft. Veritas covers your vehicle whether you use it as a daily rider or for recreation.

While accidents happen, mechanical breakdowns are far more common. Why spend thousands of dollars repairing your vehicle, when you can choose a Veritas protection plan? For many customers, a single covered repair pays for the cost of your protection plan.* We provide you with peace of mind, knowing your vehicle is covered by a company backed by an "A-" or better rated insurer and accredited by the Better Business Bureau.
